

Moodle Mobile - How to login

Download and install the Moodle mobile app from either Google Play or the App Store. Click the App store or Google Play buttons below to be taken to the download.

When you open the app, you will be prompted to enter the site address of our moodle service. This is as follows: <https://freelearning.org.uk/>

<https://freelearning.org.uk/>

Once you press 'Connect!', you will be taken to the freelearning login screen, where you enter your usual login details. Once logged in, you will have full access to the moodle app.
